WORK EXPERIENCE

Freelance Web Developer / Independent Projects 2024 - Present
- Designed and developed responsive websites and web applications based on project requirements.
- Worked on user interfaces, application functionality, and integration of online services.
- Practiced frontend development, debugging, cross-browser testing, and project planning.

Web Development Trainee - AISECT May 2024 - June 2024
- Gained practical experience with Internet fundamentals and PHP programming.
- Contributed to the development and maintenance of a Student Management System.
- Assisted in implementing features, troubleshooting issues, and improving application functionality.
- Developed an understanding of web applications and collaborative software development workflows.

PROJECTS

Mavtar Printing Press Management System 2026
- Web-based management system to organize printing press business records, invoices, and payments.
- Implemented invoice generation and PDF generation to simplify billing and record keeping.
- Working on online database integration to enable access to records across multiple computers.
- Built using React, Vite, and JavaScript, with role-based access for owners and staff.

Swstik Numerology 2025
- Developed responsive website for personalized numerology consultations and inquiries.
- Integrated EmailJS to send consultation requests without requiring a dedicated backend server.
- Designed modern UI/UX interface; deployed on Vercel with HTTPS support and optimized performance.

Student Management System 2024
- Contributed to web-based Student Management System during web development training at AISECT.
- Assisted with feature implementation, debugging, and improving functionality using PHP and MySQL.

TECHNICAL SKILLS

Programming: JavaScript, PHP, Python
Frontend: HTML5, CSS3, React.js, Vite
Database: PostgreSQL, MySQL, Firebase, Supabase
Tools: Git, GitHub, Vercel, Antigravity, Cursor
Other: Responsive Design, UI/UX, Debugging, Requirement Analysis, Project Planning

SOFT SKILLS

- Problem-solving and analytical thinking | Team collaboration and communication
- Adaptability and willingness to learn | Time management and project coordination
